

About the Trail:

The Books:

A new book is placed in each section every week. The books reflect the unique theme of each station. A variety of reading abilities are available.

The Outdoors:

The trail is a 0.5 mile paved path with gentle slopes in four different native habitats with quiet surroundings.

How It Was Built:

It was built with material donations from businesses, citizens, civic groups, and volunteer labor hours. Memorial and advertising space for donors were incorporated into the design.
